

com.carrental.service.User
Service.updateUser

com.carrental.controller.
UserController.userDashboard

com.carrental.models.User.getName

```
graph LR; A[com.carrental.service.UserService.updateUser] --> C[com.carrental.models.User.getName]; B[com.carrental.controller.UserController.userDashboard] --> C; B --> B;
```

The diagram illustrates the following dependencies:

- A dependency from `com.carrental.service.UserService.updateUser` to `com.carrental.models.User.getName`.
- A dependency from `com.carrental.controller.UserController.userDashboard` to `com.carrental.models.User.getName`.
- A self-dependency on `com.carrental.controller.UserController.userDashboard`.
