

com.carrental.controller.
AdminControllerTest.testDelete
User_RedirectsToUsers

```
graph LR; A["com.carrental.controller.  
AdminControllerTest.testDelete  
User_RedirectsToUsers"] --> B["com.carrental.controller.  
AdminController.deleteUser"]; A --> C["com.carrental.controller.  
AdminControllerTest.setup"];
```

The diagram illustrates a dependency or call relationship. A central box on the left, representing a test method, has two arrows pointing to boxes on the right. The top arrow points to a method in the `AdminController` class, and the bottom arrow points to a `setup` method in the `AdminControllerTest` class.

com.carrental.controller.
AdminController.deleteUser

com.carrental.controller.
AdminControllerTest.setup
